On July 16, 2019, join us for our 2nd Annual Field of STARS event, presented by Bayer. A casual, country themed event featuring industry networking, dinner, dancing, live & silent auctions and a special concert performance by The Hunter Brothers, all in support of STARS.

STARS is a non-profit organization that provides specialized emergency medical care and transportation for critically ill and injured patients. Simply put, STARS fights for life. Our funding model is unique. We rely on the support of government to help keep us in flight. But to keep us on the cutting edge of critical medical care, we look to key fund raisers like Field of STARS and the support of the business community, individual donors and volunteers. Allies like you.

Attendees to this event will include farm leaders, agriculture executives, government officials, agriculture services, supply and manufacturing companies, agriculture media and STARS crew. By supporting this event you will have the opportunity to showcase your product, service and your company to over 2000 attendees who are part of the agriculture community.

Live auction items will be available to be bid on line on July 16th. Please visit: rbauction.com to view donated items available to bid on.
